Correction to: *Communications Psychology* <https://doi.org/10.1038/s44271-025-00281-y>, published online 02 July 2025

In the version of the article initially published, “N = 52” (number of study participants) should have read “N = 51” and has now been corrected in the Abstract and the legends for Figs. 3–5. In the Fig. 6 legend, “N = 52” has been corrected to “N = 48”. These corrections have been made to the HTML and PDF versions of the article.
